

2023 School Improvement Plan Summary

Yalata Anangu School

Goals	Targets	Challenge of Practice	Success Criteria
<p>Goal 1: To improve students' letter sound knowledge in order to decode words accurately and fluently, to improve reading skills.</p>	<p>2023: Students who attend at least 50% (17 Out Of 34 students) will show a growth of 20% per semester on required testing.</p> <p>Initialit F and 1 (R-1 and beyond this, as required) – LEST Assessment Initialit 2 as required – CC2 Senior students with low reading level will participate in Macqlit.</p>	<p>If we consistently and explicitly teach a systematic, synthetic phonics program students will improve their decoding skills and reading development.</p>	<p>Display growth in decoding skills, reading fluency and phrasing. Increase language comprehension ability</p>
<p>Goal 2: To improve all students' sentence structure.</p>	<p>2023: All students who attend more than 50% (17 Out Of 34 students) will increase their LEAP level by at least 1 level by the end of 2023.</p>	<p>If teachers use LEAP effectively to inform teaching practice and set individualised learning goals, students will achieve expected growth.</p>	<p>R-4 Students will recognise and work towards composing simple sentences. 5-12 Students will be able to explain the difference between simple, compound and complex sentences and construct each type of sentence.</p>
